

TALES OF THREE - Information Sheet - Theatre of Widdershins 2017

→ **IMPORTANT**

This info sheet is intended for schools, libraries and small events.
Festival Organisers – please ring/email to discuss timings, costs and technical needs.

→ **TALES:**

These tales can be booked as separate, individual tales or as a 40 minute double bill.

→ **TEACHERS**

If you are wanting to book a show for Nursery or Reception we strongly recommend the double bill option.

→ **DOUBLE BILL OPTION:**

This has been designed specifically with a Nursery/Reception only audience in mind. “The Three Little Pigs” and “Goldilocks & the Three Bears” have been paired up – with no gap inbetween – and it lasts 40 minutes. This is a good introduction to performance for the very young.

The set for this double bill is much smaller than our usual shows, and uses a smaller PA system, therefore we ask you to restrict the audience size to approximately 70 children. Any larger than this will create sightline problems and spoil the intimacy.

Due to the compact nature of this show we do not require a large hall to perform it in.

COSTS: One sitting of the double bill = £250 + VAT
 Two sittings of the double bill = £400 + VAT

→ **INDIVIDUAL TALES:**

You can choose which individual tale you want and we can repeat it throughout the day.

The set for these tales is much smaller than our usual shows, and uses a smaller PA system, therefore we ask you to restrict the audience size to approximately 70 children. Any larger than this will create sightline problems and spoil the intimacy.

Due to the compact nature of this show we do not require a large hall to perform it.

 2 Performances (same tale) = £250 + VAT
