
NOTES ON RAPUNZEL & THE TOWER OF DOOM FOR FOUNDATION STAGE CHILDREN

Although this – like all our shows – is appropriate for a wide range of ages we have found that because of the witch character very young children (foundation stage) enjoy it more when older children are present.

If you were planning to book this show purely for Foundation Stage please consider inviting in Yr 1's and even Yr 2's (if numbers allow – up to 150 children) and have them sit in front of Foundation, with the little ones on benches at the back. This “buffer zone” works incredibly well to reduce any potential fear in the very young and timid.

AS AN ALTERNATIVE for Foundation Stage we can offer you a 40 minute show of Goldilocks & The Three Bears and The Three Little Pigs which has puppets, some set and music. These are two of the tales from ‘Three Billy Goats Gruff & Other Furry Tails’ theatre performance. This lasts about 40 minutes and can be told in a classroom or library space as it has a much smaller set. PLEASE LOOK AT ‘TALES OF THREE’ for more information and prices. PLEASE NOTE – THERE MUST NOT BE MORE THAN 70 CHILDREN IN THIS PERFORMANCE DUE TO SIGHTLINES.
